

Health Center Career Opportunity

Physician Assistant

Date: 3/16/2009

Company Name: Vermillion Parke Community Health Center

City: Clinton, Indiana

Position: Physician Assistant

Specialty: Family Practice

Position Description: The Vermillion Parke Community Health Center is currently seeking a Nurse Practitioner or Physician Assistant for a full-time position in Clinton, Indiana. This clinician will work in an exciting Community Health Center environment that includes an opportunity to be involved in student mentoring/teaching in partnership with a family medicine residency program that includes a Rural Training Track curriculum. This position also offers an opportunity to work with cutting-edge technologies and evidence based-medicine strategies as developed through a nearby collaborating rural innovation center. The Community Health Center will be a teaching site offering state of the art care using the most up-to-date, cutting edge methodologies and technologies in a newly renovated health care facility. This is a full-time position and offers a complete benefits package.

Anticipated Hire Date: Immediate

Interested candidates should email resume to Elizabeth Morgan, CEO at emorgan@vpchc.org.
