

You are subscribed to updates from the Centers for Disease Control and Prevention (CDC).

NOTE: This week's update sent a day early to coincide with the Advisory Committee on Immunization Practices meeting.

Situation Summary

CDC continues to take aggressive action to respond to the outbreak. CDC's response goals are to reduce the spread and severity of illness, and to provide information to help health care providers, public health officials and the public address the challenges posed by this new public health threat.
