

# CDC Updates for Clinicians

Clinician Outreach and Communication Activity (COCA)  
Emergency Communication System

July 24, 2009

In response to events surrounding the Novel H1N1 Influenza outbreak, we would like to provide you with the following information. Please share this with other interested parties.

If you have any questions on these or other clinical issues, please write to us at [coca@cdc.gov](mailto:coca@cdc.gov).

## Novel H1N1 Vaccination Update

**Preparing for Vaccination with Novel H1N1 Vaccine - PDF (Attached)- Jul 24**

**Notice for COCA Partner Organizations:** This communication describes preparations that are underway for the novel H1N1 influenza vaccination program. Please feel free to include this in your organization's newsletter and/or post it to your organization's Website.

**Prevention and Control of Seasonal Influenza with Vaccines Recommendations of the Advisory Committee on Immunization Practices (ACIP), 2009 - CDC/MMWR - Jul 24**

This report updates the 2008 recommendations by CDC's Advisory Committee on Immunization Practices (ACIP) regarding the use of influenza vaccine for the prevention and control of seasonal influenza.

### Communicating With Clinicians

CDC currently employs several mechanisms to communicate with clinicians on topics of urgent concern and interest.
