

CDC Updates for Clinicians

Clinician Outreach and Communication Activity (COCA)
Emergency Communication System

November 12, 2009

COCA Conference Call 2009 H1N1 Influenza: Pregnant Women and Newborns

Continuing Education Credits/Contact Hours (CME, CNE, CEU and CHES)
are available for this COCA Conference Call!

Title: 2009 H1N1 Influenza: Pregnant Women and Newborns

Speakers: Dr. Sonja Rasmussen and Dr. Wanda Barfield

Date: Tuesday, November 17, 2009
Time: 1:00 - 2:00 PM ET

Call-in number: 888-283-2960
Passcode: 7113863

The PowerPoint Presentation will be available on the COCA website on November 17th:
<http://emergency.cdc.gov/coca/callinfo.asp>.

Objectives:

After this activity, the participants will be able to:

- 1) List two physiologic alterations in pregnancy that affect response to infections
- 2) Discuss the antiviral medication interim guidance to treat pregnant women
- 3) Discuss chemoprophylaxis interim guidance for pregnant women
- 4) Describe the recommendations for flu vaccines (seasonal and H1N1) in pregnant women
- 5) List infection control measures to reduce transmission of H1N1 in the hospital setting
- 6) Describe one method to reduce the risk for birth defects in pregnant women with hyperthermia
- 7) Discuss potential mechanisms of transmission of 2009 H1N1 to the newborn
- 8) Describe strategies to reduce the transmission of 2009 H1N1 to the newborn (at delivery, postpartum, and in the home)
- 9) Describe the recommendations for breastfeeding newborns of mothers with suspected/confirmed 2009 H1N1

Continuing Education guidelines require that the attendance of all who participate in COCA Conference Calls be properly documented. ALL Continuing Education credits/contact hours (CME, CNE, CEU and CECH) for COCA Conference Calls are issued online through the CDC Training & Continuing Education Online system <http://www2a.cdc.gov/TCEOnline/>.

Those who participate in the COCA Conference Calls and who wish to receive CE credit/contact hours and will complete the online evaluation by December 16, 2009 will use the course code EC1265. Those who wish to receive CE credits/contact hours and will complete the online evaluation between December 17, 2009 and November 17, 2010 will use course code WD1265. CE certificates can be printed immediately upon completion of your online evaluation. A cumulative transcript of all CDC/ATSDR CE's obtained through the CDC Training & Continuing Education Online System will be maintained for each user.

PURPOSE: To enhance clinicians knowledge of emerging or re-emerging threats, their effects on human populations and medical evaluation and management of these threats.

CME: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Centers for Disease Control and Prevention designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.
This activity provides 1 contact hour.

CEU: The CDC has been approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET), 8405 Greensboro Drive, Suite 800, McLean, VA 22102. The CDC is authorized by IACET to offer 0.1 CEU's for this program.

CECH: The Centers for Disease Control and Prevention is a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is a designated event for the CHES to receive 1 Category I contact hour in health education, CDC provider number GA0082.

DISCLAIMER:

In compliance with continuing education requirements, all presenters must disclose any financial or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, and our presenters wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. This presentation does not involve the unlabeled use of a product or product under investigational use.

There is no commercial support.

Please remember that if you cannot participate in the live COCA Conference Call, you can still get CE credit/contact hours! Simply download the PowerPoint and follow along with the audio file, both of which will both be posted on the [coca website](http://www2a.cdc.gov/TCEOnline/) after the call and then complete the on-line evaluation within a year <http://www2a.cdc.gov/TCEOnline/>.

If you need further information or technical help, please send an e-mail message to: coca@cdc.gov

Communicating With Clinicians

CDC currently employs several mechanisms to communicate with clinicians on topics of urgent concern and interest.
