NEW VICE PRESIDENT OF PRIMARY CARE, JENNIFER HENDERSON, ANNOUNCED AT MERIDIAN HEALTH SERVICES

Jennifer Henderson,
Vice President of
Primary Care at
Meridian Health Services

MUNCIE, IN.—Meridian Health Services’ appoints Jennifer Henderson, MHA, PCMH CCE, as its new Vice President of Primary Care. Henderson has proven to be a prominent leader with 26 years of experience working in healthcare. She has been with Meridian for nearly a decade fulfilling several positions including Practice Manager of Medical Services for Meridian’s psychiatric and primary care divisions, Regional Manager of Delaware and Rush counties for Primary Care; Director of Primary Care and Interim Executive Lead for Primary Care and Dental Health.

Henderson said, “I am honored to be given the opportunity to lead Meridian’s primary care division building on expanding services we offer and reaching individuals and communities that need quality medical care both in-person and through state-of-the-art telehealth opportunities—especially in communities that have an extreme need for healthcare and otherwise have limited access.” Henderson continued, “I hope to continue to strengthen other integrated quality goals such as patient-centered services and integrated care.”

Henderson graduated Magna Cum Laude from Indiana Wesleyan University with a bachelor’s degree in Business Management and received her master’s degree in Health Care Administration from University of Phoenix. She also earned certification as Patient-Centered Medical Home (PCMH) Certified Content Expert (CCE). Henderson is the mother of twin boys, Nicholas and Ethan, and a daughter, Gabby, with her husband, Aaron of 26 years.

“Jennifer has been and continues to be a valued executive working diligently to expand and enhance our primary care divisions, it’s only natural she be elevated to a position she has worked hard to attain. Her passion for patient care and exceptional, integrated care continues Meridian’s mission in “whole-person” health,” said Hank Milius, President and CEO of Meridian Health Services.

###

Meridian Health Services is a regional, progressive healthcare organization specializing in “whole-person” health, integrating physical, mental and social well-being to help people achieve their optimum health. Meridian serves more than 40,000 patients throughout Indiana offering a wide spectrum of healthcare specialties including: primary medical care, pediatrics, inpatient/outpatient psychiatry, obstetrics/gynecology, addictions and recovery, dental, senior health, children and family programming, behavioral health and human services.
